Cred. MDT

A Credentialed Therapist has successfully passed an International examination at the completion of the McKenzie Institute Education Programme. A pass in the Credentialed Examination is recognition of the attainment of the minimum level of competency in the philosophy of Mechanical Diagnosis and Therapy.

Dip. MDT

A Diplomaed Therapist. The McKenzie Institute International offers a post-graduate course leading to a Diploma in Mechanical Diagnosis and Therapy. This programme emphasizes the clinical aspects of the McKenzie concepts and enables clinicians to develop a high level of competency in the practical application of the McKenzie Method of Diagnosis and Therapy for mechanical spinal and other musculoskeletal disorders. The Diploma is recognition of attainment of the highest level of achievement in the McKenzie Institute's Education Programme.

Please note that the Register of members is in State, then Metropolitan and Regional order. Please refer overleaf for therapist locator by State, then search for Metropolitan or Regional in that State.

If you would like additional copies of this Register, please phone 1800 332 735 or email mckinst@xtra.co.nz.
